**STATEMENT PURSUANT TO 37 CFR 1.97 AND 1.98**

The following information is submitted in accordance with 37 CFR 1.97 and 1.98 and MPEP §609. Enclosed are copies of the references listed on the attached form PTO-1449 for consideration by the U.S. Patent and Trademark Office in the above-identified application and to be made of record therein.

applicant submits herewith patents, publications, or other information of which he may be aware, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be considered as an admission against interest in any manner. Notice of January 19, 1992, 1135 O.G. 13-25, at 25.

The Information Disclosure Statement submitted herewith is being filed within three months of the filing date of this application or before the mailing date of a first Office Action on the merits, whichever event occurs last. 37 CFR 1.97(b).
